

Nozawa Onsen Facts

Nozawa ranks amongst one of the best ski resorts in Japan with a great selection of runs offering great skiing and snowboarding experiences for beginners right through to the most advanced. There really is something for everybody: family friendly wide open pistes, mogul runs and great powder.

The village has a great sense of tradition and feeling of Japanese spirit with beautiful old streets and a bustling village full of history, culture and festivals. The village is also famous for its public hot-springs, with more than 30 springs located throughout the resort. One event not to be missed is the Dousoujin Fire Festival. Held on January 15th every year, Dousoujin is considered one three most famous fire festivals in Japan. You can experience the real essence of Japanese culture and hospitality staying in Nozawa Onsen village.

Shiga Kogen Facts

Shiga Kogen is located in the Johshinetsu National Park and is by far the largest ski resort in Japan, offering 21 interlinked resorts all covered by the one lift pass. With easy access and a season running from late November to early May, it is one of Japan's premier resorts.

With a resort this size it goes without saying that there are runs for every ability level and skiing style. Shiga Kogen's seemingly endless variety of long perfectly groomed cruising runs, gentle beginner's slopes, bottomless powder and challenging moguls are serviced by modern lifts and facilities all combined make skiing here an unforgettable experience.

Located 1.5 hours from Nagano, you can easily enjoy a number of other activities in and around Shiga including the nearby Jigokuyudani hot springs, home to the world famous Japanese Snow Monkeys.
