

Big Sky Facts

Big Sky Resort is truly big! Big Sky Resort is located 1 hour from Bozeman Montana, the nearest airport. West Yellowstone and Yellowstone National Park is also one hour away in southwest Montana. Once you strap on your skis and explore the unique scenic beauty you will realize that this place was meant for you, and only you. Big Sky Resort covers three immense mountains that provide a wide variety of terrain and no lift lines. Big Sky Resort lodging options vary from slope side hotels and condos to private homes.

The Biggest Skiing in America ticket gives skiers and riders access to over 5,300 acres of seamless and interconnected trails and lifts. This is all with one ticket. Also included in this experience is the Lone Peak Tram that takes skiers and riders up to the 11,166 ft summit of Lone Peak. The tram offers more vertical feet and offers a 360 degree view of Yellowstone National Park, the Grand Teatons and all three bordering states.
