

Snowmass Facts

Snowmass, so many runs, so much variety – cruisers, steeps, glades, off-piste, terrain parks, superpipe and the longest lift-served vertical rise in the United States. Snowmass is the second largest ski area in the country. With a vertical rise of 4,406 feet, Snowmass has the highest vertical rise of any ski area in the country - higher than four Eiffel Towers. With over 95% of accommodation ski-in / ski-out and a quaint pedestrian village, Snowmass also has shuttle access to Aspen's other three ski areas. The new base village includes more restaurants, shops, a children's centre – Treehouse Kids Adventure and a variety of new accommodation options, including the all new Viceroy Resorts and the upcoming Little Nell Residence.

Ski Terrain: 91 trails over 3132 acres **Summit Elevation:** 3813m
