

Methven

Located in the middle of the South Island and only a 90 minute drive from Christchurch, Mt Hutt is where you will find the most reliable snowfall in the Southern Hemisphere, providing quality dry snow. Mt Hutt prides itself on having the longest season, usually from June right through to the end of October.

Choose Methven as a base for your ski holiday, only a short 20 minute drive to Mt Hutt and you will discover a small, lively, rural town surrounded by breathtaking scenery.
